Sleek & Elegant

Jasmart A offers quality with a wide range of options for the basic installation. Offers Comfortable, safe, economical electrical installation.

The Jasmart A switch range combines a Extremely simple design with functional material and intelligent technology. It is available in different colour choices.

The Jasmart A Range combines simple and timeless elegance with an exposed size. The frames are available in three different design variants. In addition to the classic pure white and the colours chrome, brass and platinum offer further possibilities for finishing architectural concepts with upscale standards.

A1

Material Shatter-proof, UV-resistant thermoplastic.

Size L 86 x W 86 mm
L 146 x W 86 mm

Protection IP 20
Types

PC

The Jasmart A switch range combines an Extremely Simple design with functional material. It is available in the four colours of pure white, Silver, Brown and Pearl Black. It is made of shatter-proof UV-resistant thermoplastic with an easy-cleaning surface.

A2

Jasmart A2 Sries. White faceplate, White function Unit.

Material Shatter-proof, UV-resistant thermoplastic.

Size L 86 x W 86 mm
L 146 x W 86 mm

Protection IP 20
Types

- Maximized rocker switch
Fine switch-swing angle
Slim switch edge
Soft-switching feeling
- LED indication lamp
Small power consumption
Soft brightness
- Switch contact uses the best alloyed silver
Reduce arcing

- Use high resilient Sn-Phosphor Bronze conductors
More durable and safe sockets.
- Structured plastic design,
strengthening product body and preventing
from deformation.
- Flame resistant, high temperature resistant,
shock resistant,
UV radiation protected.
