- Maximized rocker switch
Fine switch-swing angle
Slim switch edge
Soft-switching feeling
- LED indication lamp
Small power consumption
Soft brightness
- Switch contact uses the high grade alloyed silver
Reduce arcing

- Use high resilient Sn-Phosphor Bronze conductors
More durable and safe sockets.
- Structured plastic design,
strengthening product body and preventing
from deformation.
- Flame resistant, high temperature resistant,
shock resistant,
UV radiation protected.

Colour Variants

White

Black

Champagne Gold

Silver Grey

Material Shatter-proof, UV-resistant thermoplastic.

Size L 86 x W 86 mm
L 146 x W 86 mm

Protection Types IP 20

NEW

The “essential features” become evident when reductions are made.

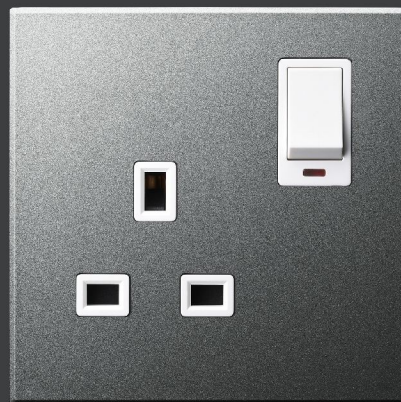

Your sense of Style is Unique. With **Jasmart T series** switches you can express it in every detail of your home; adding a fresh, innovative touch that will enhance contemporary and traditional interiors alike. Designed to meet the highest safety standards and constructed from the most durable, scratch resistant materials, **Jasmart T series** switches will stay safe and stylish for a lifetime.

Jasmart T Series 10AX 2 gang 1 way switch

Jasmart T Series 10AX 4 gang 1 way switch

Jasmart T Series 13A 1gang switched socket with Neon

Jasmart T Series 13A 2 gang switched socket(White colour)

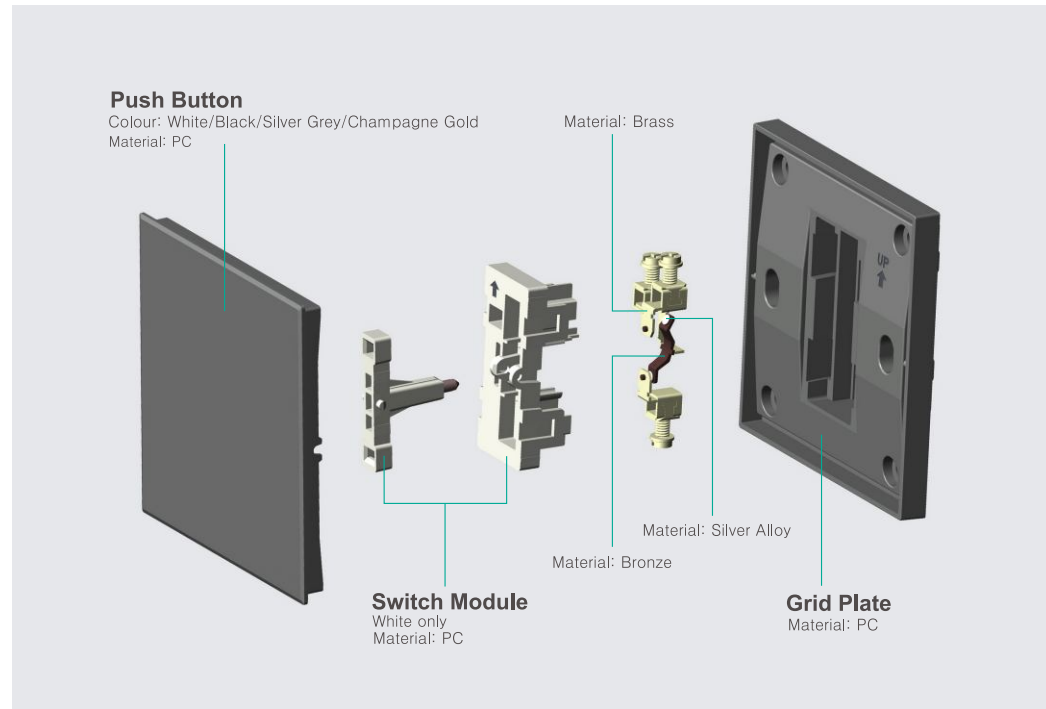

Outstanding. Clear. Constant.

Carat is our clear commitment to sophisticated design. The language of straight lines and genuine materials instead of imitations are combined to give a high quality shape. As an independent object, the switch and socket from **Jasmart T series** becomes an integral components of a high grade representative architecture.
