Material: Glass

Sleek & Elegant

Jasmart G offers quality with a wide range of options for the basic installation. Offers Comfortable, safe, economical electrical installation.

The Jasmart G switch range combines a Extremely simple design with functional material and intelligent technology. It is available in different colour choices.

The Jasmart G Range combines simple and timeless elegance with an exposed size. The frames are available in three different design variants. In addition to the classic pure white and the colours chrome, brass and platinum offer further possibilities for finishing architectural concepts with upscale standards.

Extremely simple design

PC

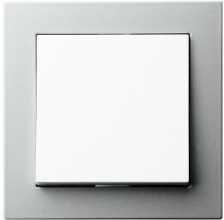

The Jasmart G switch range combines a Extremely Simple design with functional material. It is available in the four colours of pure white, Silver, Brown and Pearl Black. It is made of shatter-proof UV-resistant thermoplastic with an easy-cleaning surface.

Four colors to choose

Colour: White

Colour: Silver

Colour: Pearl black

Colour: Brown

Extraordinary design

PC

The high quality of the material used for the range makes the devices resistant against wear. It consists of shatter-proof and shock-resistant thermoplastic with a high resistance to ultraviolet light as well as an easy-cleaning surface.

Four colors to choose

			
Colour: White	Colour: Silver	Colour: Pearl black	Colour: Brown

Rich material & long service life

Aluminium

Modern colour concepts expertly set accents using dark colours. The frame made of polished, anodised aluminium in black is perfectly integrated in these concepts. Anodising protects and changes the colour of the aluminium with an artificial oxide layer. The natural grained structure of the material is maintained. The feel of the surface does justice to its high-quality appearance. For example, when combined with white inserts, the result is an attractive interplay of a modern forefront and a classic background.

Three colors to choose

Colour: Champagne Gold

Colour: Black

Colour: Brown

Elegant texture Clear depth Visual effect

Glass

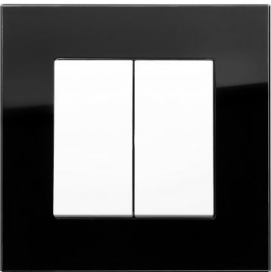

There is an appealing combination of the clear form of the Jasmart G frames and glossy glass. The frames of Jasmart G glass are color high lighted in black, white, and golden. This gives them a very sophisticated appearance on both light and dark backgrounds.

Three colors to choose

Colour: White

Colour: Black

Colour: Champagne Gold

Function Module

G3010
Bell switch (1T) 10A 250V~

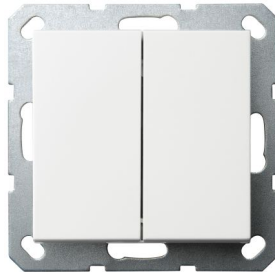

G3011
One gang one way (1) 10AX 250V~

G3012
One gang two way (6) 10AX 250V~

G3013
Intermediate switch (7) 10AX 250V~

G3510
Double pole switch(2) 10AX 250V~

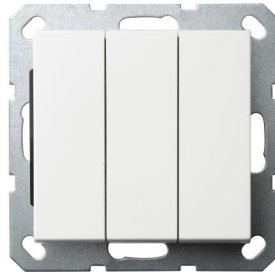

G3610
Triple pole switch (3) 10AX 250V~

G3021
Two gang one way (1+1) 10AX 250V~

G3022
Two gang two way (6+6) 10AX 250V~

G3023
Two gang two circuit one way switch (5) 10AX 250V~

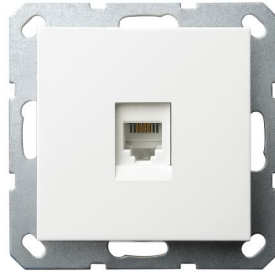

G3031
Three gang one way (1+1+1) 10AX 250V~

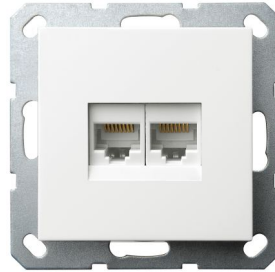

G6001
Single TV socket (Terminal) TV Φ9.5mm

G6002
Single TV socket (Intermediate) TV Φ9.5mm

G6101
Telephone socket 1xRJ11 RJ11(6/4)

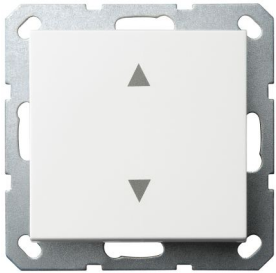

G6105
Computer socket 1xRJ45 RJ45(8/8)

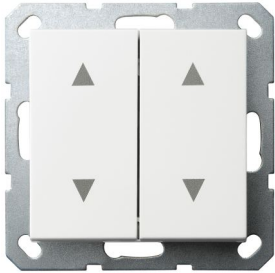

G6102
Telephone socket 2xRJ11 RJ11(6/4)

G6106
Computer socket 2xRJ45 RJ45(8/8)

G6203
Telephone socket 1xRJ11 + computer socket 1xRJ45 RJ11+RJ45

G3018
One gang shutter control switch 10A 250V~

G3028
Two gang shutter control switch 10A 250V~

G5501
Schuko socket with children shutter protection 16A 250V~ 2P+T

G5502
French socket with earth with children shutter protection 16A 250V~ 2P+T

G6204
TV+FM socket (Terminal) TV-FM Φ9.5mm

G6205
TV+FM socket (Intermediate) TV-FM Φ9.5mm

G6206
TV+FM+SAT socket (Terminal) TV-FM+SAT Φ9.5mm

G6207
TV+FM+SAT socket (Intermediate) TV-FM+SAT Φ9.5mm

G5503
Socket without earth with children shutter protection 16A 250V~ 2P

G5501USB-25
Schuko Socket with USB A+C 16A 250V~ 2P + T

G5504
Double schuko with children shutter protection 16A 250V~ 2P+T

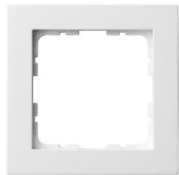

G5505
Schuko Socket with Cover IP44

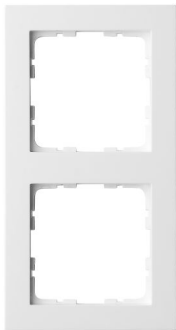

G4012
Dimmer 30-400W one gang two way 230V~50Hz 30-400W
