Switches & Sockets

Jasmart

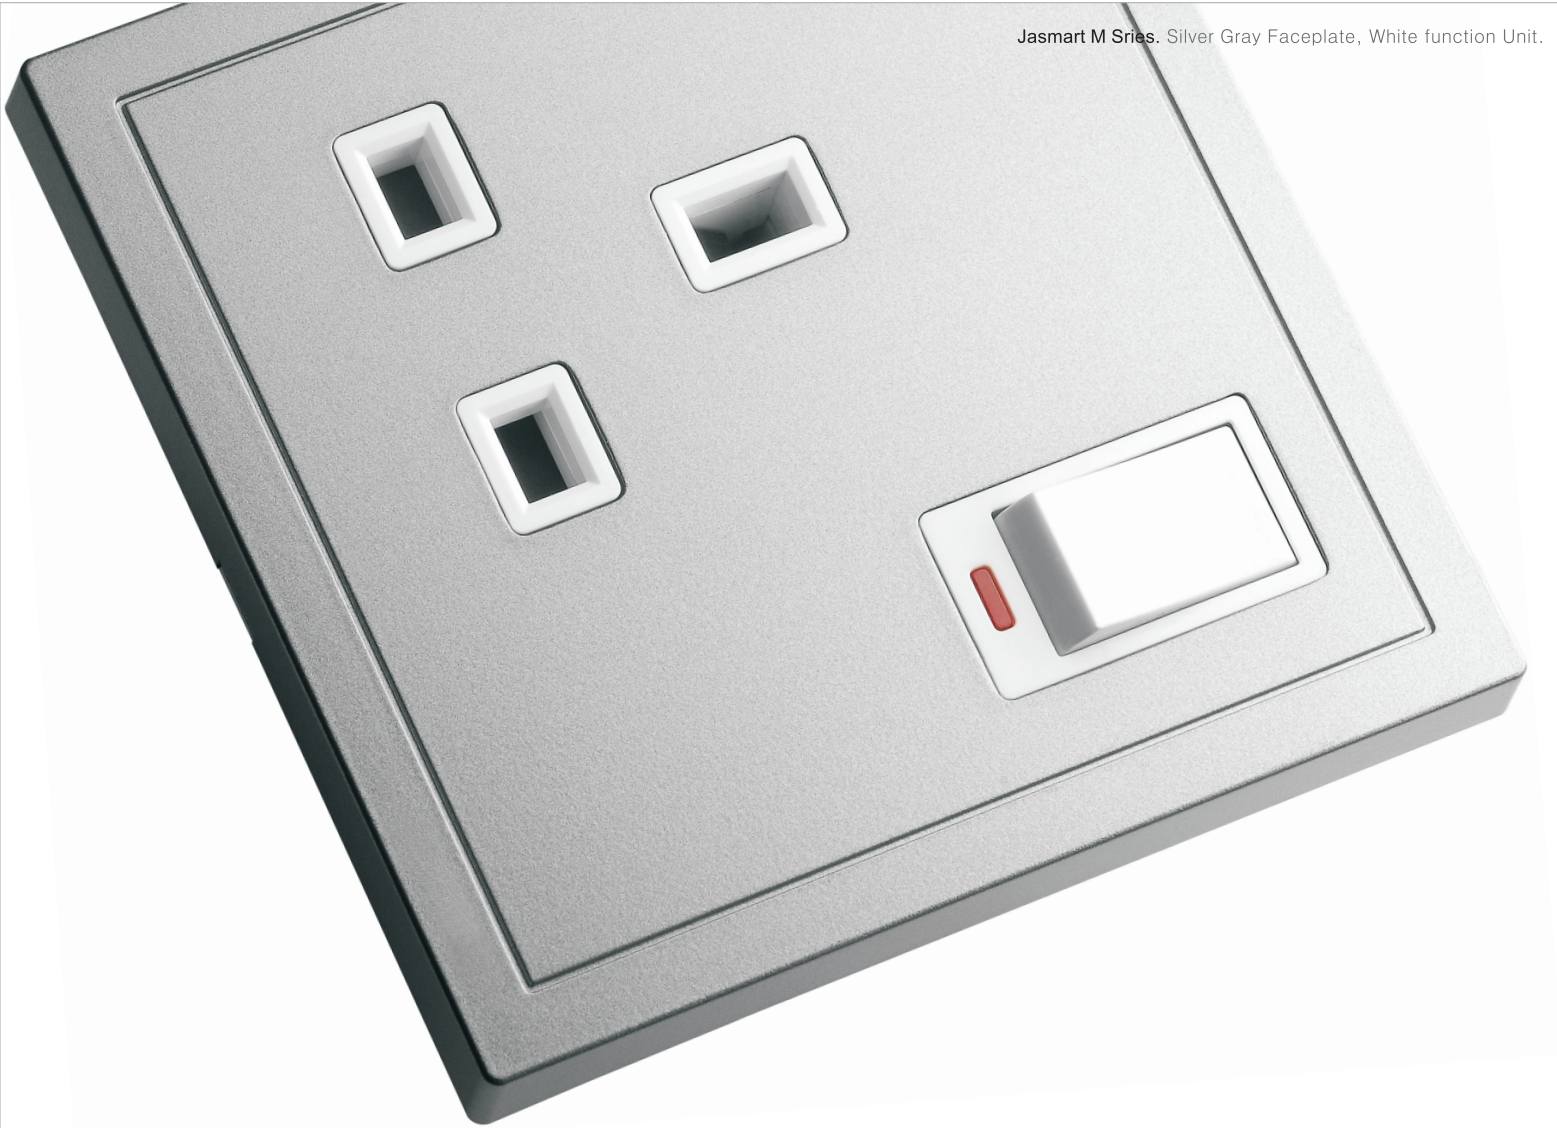

The “essential features” become evident when reductions are made.

Your sense of Style is Unique. With Jasmart M series switches you can express it in every detail of your home; adding a fresh, innovative touch that will enhance contemporary and traditional interiors alike. Designed to meet the highest safety standards and constructed from the most durable, scratch resistant materials, Jasmart M series switches will stay safe and stylish for a lifetime.

series **M**

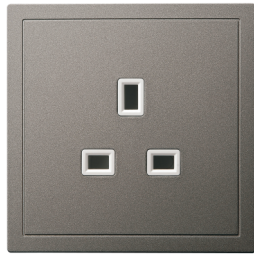

Outstanding. Clear. Constant.

Carat is our clear commitment to sophisticated design. The language of straight lines and genuine materials instead of imitations are combined to give a high quality shape. As an independent object, the switch and socket from Jasmart M series becomes an integral components of a high grade representative architecture.
